## Wellnespa Synergy

---

Synergy – when the whole is greater than the sum of its parts.

At a rare viewpoint, overlooking the Dead Sea, the Ein Gedi Reserve, and the Judean Desert, we have created an experience that combines nature, tranquility, clear air, and mineral-rich waters. We designed an architectural structure that blends into the landscape and brings with it a unique character.

We gathered the best therapists and assembled a menu of both traditional and innovative treatments that fulfill every request.

Now, there is just one thing left: **come to complete the synergy.**

The entrance fee to the spa is 290 NIS per guest. When booking a spa treatment (except for a 30-minute treatment), spa entry is included in the price at no additional charge.
